

# NOKIA LUMIA 620

# SMART, INSIDE AND OUT

## Striking, Vibrant Design

- Dual-colored shells are exchangeable and the good looks are built to last – with the colors running all the way through the material so the scratches never show.
- Choose from seven colors\* – lime green, orange, magenta, yellow, cyan, white and black.
- Compact, cup-shaped unibody has been molded to make it a pleasure to hold in just about any size hand.
- Combination of ClearBlack display and sunlight readability enhancements brings brilliant colors and content right to the surface, even in the brightest conditions.

## Powered by Windows Phone 8

- Nokia's most affordable Windows Phone 8 smartphone, so far.
- Do more with Microsoft Office, Xbox Live, SkyDrive cloud storage and surf the Web faster and safer with Internet Explorer 10.
- Live Tiles constantly update in real time on your Start screen, to show you what's new and what's now.

## Signature Lumia Experiences

- With Cinemagraph you can add simple animations to your photos – such as moving clouds, fluttering flags, or waving hands.
- Smart Shoot automatically takes multiple photos with a single click so that you can effortlessly choose what to keep – like the best smiles – to create the perfect shot.
- Enjoy free and unlimited music streaming\*\*. With Nokia Music, you can tap into the latest tracks or create your own channels based on the artists you love.
- Hold up your Nokia Lumia 620 and City Lens instantly reveals what's around you.
- Get free turn-by-turn voice-guided navigation with Nokia Drive\*\*. Also available offline.
